

CLOONLIFFEN NATIONAL SCHOOL

HEALTHY EATING POLICY

Cloonliffen National School Healthy Eating Policy outlines how the school supports healthy eating practices through the promotion of healthy lunches and healthy snacks and by other means.

The SPHE guidelines aim to promote the personal development and wellbeing of the student to provide a foundation for healthy living in all its aspects.

Cloonliffen National School is committed to facilitating the children's development of skills and attitudes to allow them to make informed decisions about their food intake. There will be a whole school approach, involving teachers, parents and children to ensure that healthy eating messages are a part of every aspect of school life.

The children will continue to receive consistent messages regarding healthy eating both at home and at school.

Aims of our Healthy Eating Policy

- To promote a whole school approach to healthy eating and nutrition
- To understand the benefit of a healthy well balanced diet
- To develop an awareness that good eating habits formed in early childhood influence health and wellbeing throughout our lives
- To develop awareness of the importance of food for growth and development
- To explore food preferences in a balanced diet

Benefits of a good diet

- Ensures the development of healthy hair, skin, teeth, muscles and strong bones
- Provides energy and aids concentration
- Strengthens the immune system

Breakfast

A nourishing breakfast is the best start to your child's day giving him/her the energy needed to concentrate and learn. Research has shown that children benefit both nutritionally and behaviourally by eating breakfast.

Small Break

The children have a morning exercise break for 15 minutes. Food at this break should be easy to eat. Ideally a small sandwich or piece of fruit. Fruit should be of a manageable size, peeled/chopped if necessary.

Lunch Break

Children have approximately 10 minutes to eat at this break. Ideally, children's lunches should be varied and include:

- Two portions from the bread/cereal group
- One portion of meat or meat alternative
- At least one portion from the fruit and vegetable group
- One portion from the dairy product
- Water, milk.

Special Treats

On specific days during the school year the children will be permitted special treats:

- End of term parties
- School Trips

Suggestions for your child's school lunch:

The children will bring home uneaten lunch.
